

SUPPORTING PARENTS HEALTHY CHILDREN FAMILY/WHĀNAU CARE PLAN

Being a parent is an important role. This plan helps everyone support the children, family and whānau of people who are parents and who also use mental health and/or addiction services. The plan is about being prepared and talking through the wishes of everyone involved and also to ensure that the staff who are working with you know the people who are important to you.

Name:	Phone: NHI:	Ethnicity/Iwi/Hapū:
Other Parent/Cargiver:	Phone:	Ethnicity/Iwi/Hapū:

Child/Tamariki/Rangatahi		
Name:	Date of Birth:	Male/Female/Other
Child's usual address and who lives with them:		If child lives between 2 addresses:

Important people in the Child's/Tamariki/Rangatahi life who may need to be contacted	
Names/whānau/family support/school:	Phone:

Should I be temporarily unable to care for them, I would like the children to stay with one of the following adults:		
Name:	Relationship to Child:	Phone:
This has been discussed with the people listed		<input type="checkbox"/> Yes <input type="checkbox"/> No
The children know how to get there (eg. Bus, taxi, getting picked up)		<input type="checkbox"/> Yes <input type="checkbox"/> No
I/we know how to contact them if they are there		<input type="checkbox"/> Yes <input type="checkbox"/> No

<p>If I have to be away for a while (in hospital/rehabilitation/respice), I would like the following to occur, if possible:</p> <p>(for example: children to visit when I am well enough, to speak with the children regularly by phone when I am well enough, the opportunity to write/email/text one another, to have photos of each other)</p>
